

## **✗ DON'T DO THIS**

## **⚠ Why It's Risky**

**Don't pay money  
for a job.**

No job asks for money  
in exchange for hiring.

WhatsApp/  
Telegram.**

Authentic  
communication  
happens via official  
emails/calls.

interview, instant  
selection" claims.**

Instant jobs are  
mostly scams.

**Don't believe flashy  
ads like "Earn  
₹ 50,000//day."**

These may be fraud  
links or fake websites.

**Too-good-to-be-true  
= fraud alert.**

Risk of identity fraud  
or financial misuse.

unprofessional  
language or spelling  
errors.**

clear emails.
